MEMORANDUM FOR: Chief, Material Branch, DPD
(Attn: [REDACTED])

25X1A9a

SUBJECT : Granger Field Service and Maintenance Contract

1. Under the provisions of the subject contract the undersigned has on this date directed Granger Associates to retrofit and overhaul one 301 and two 302 wide-band receivers to include replacement of faulty and/or obsolete Traveling Wave Tubes. This action will bring the entire complement of proto type wide-band receivers, installed in the "Test Bed" P2V7, up to final production specifications necessary to the coming Eglin AFB tests and the probable phasing of the aircraft into the operational category.

2. Total cost of the above action will approximate \$8,800.
